

Course cancellation policy

If booked or enrolled on a course, you may cancel the booking at any time. PrATiQ™ should be informed in writing in case of a request for course cancellation.

When you cancel the course booking within seven days of registration confirmation, you will be eligible for a full refund if the course has not commenced yet.

If the scheduled course is going to be delivered more than three sessions, you may cancel your booking and receive a full refund from PrATiQ™ if you request to cancel before the second course session.

Outside of those described above are not eligible for a refund.

Please read Terms and Conditions Policy.
